details for repair:

6. after completion:

- self pickup
- return to the above address
- different shipping address:

Important:

Please fill out this document and send it to our office: orders@phi-air.com. In your email you can also attach photos or ask questions. Then send the wing to PHI in AUSTRIA (address see below) for repair with a printed order form enclosed. In any case, please always contact your retailer directly first if your glider reaches us from Switzerland or from outside the EU. You avoid unnecessary costs and delays through customs.
